

Chemical Formulation Report

Product Information

Product Name: Glass Cleaner Cream

Description: An industrial-grade glass cleaner formulated as a cream, designed to efficiently remove dirt, grime, and smudges from glass surfaces while leaving a streak-free finish. Built for medium-range cost efficiency with balanced quality for professional cleaning solutions.

Technical Specifications

pH Level:	7
Viscosity:	Medium
Shelf Life:	12 months
Batch Size:	10-100 liters
Processing Time:	2 hours
Temperature:	20-40°C
Storage Conditions:	Store in a cool, dry place away from direct sunlight.
Equipment:	Mixing tank, stirrer, pH meter, heating equipment
Certification:	Complies with EU detergent regulation

Ingredients

Ingredient	INCI Name	%	Function
------------	-----------	---	----------

Deionized Water	Aqua	60.0%	Solvent
Calcium Carbonate	Calcium Carbonate	20.0%	Mild abrasive agent
Isopropyl Alcohol	Isopropyl Alcohol	5.0%	Solvent and disinfectant
Sodium Lauryl Sulfate	Sodium Lauryl Sulfate	4.0%	Surfactant
Xanthan Gum	Xanthan Gum	2.0%	Thickener
Glycerin	Glycerin	3.0%	Humectant
Citric Acid	Citric Acid	0.8%	pH adjuster
Methylchlorisothiazolinone and Methylisothiazolinone	Methylchlorisothiazolinone, Methylisothiazolinone	0.2%	Preservative

Manufacturing Instructions

Phase 1: Phase A

1. Combine Deionized Water and Glycerin in a mixing tank.
2. Start mixing at a moderate speed until homogenous.

Phase 2: Phase B

1. Slowly add Xanthan Gum to Phase A under continuous agitation to prevent clumping.
2. Heat the mixture to 40°C to fully hydrate the Xanthan Gum.

Phase 3: Phase C

1. Add Calcium Carbonate and mix until evenly dispersed.
2. Slowly integrate Sodium Lauryl Sulfate and Isopropyl Alcohol while mixing.

Phase 4: Phase D

1. Adjust the pH to 7 by adding diluted Citric Acid solution dropwise.
2. Incorporate Methylchlorisothiazolinone and Methylisothiazolinone last, ensuring thorough distribution.

Usage Instructions

Apply a small amount of the cream onto a clean cloth. Wipe the glass surface using circular motions to cover the entire area. Buff with a dry cloth for a streak-free finish.
